Curb Cut Permit
Fee: \$1.00

Date: _____

Location: _____

Property Owner: _____

Description of work: _____

This must be done by saw cutting the back of the curb only. The gutter pan must be left intact and undisturbed.

Section 86-98 of City of Buchanan, Code of Ordinances requires driveway approaches and sidewalks at approaches must be built to conformance with the Michigan Department of Transportation specifications for concrete.

Driveway approaches in existence and surfaced with asphalt, brick or other hard surfaced material as of October 12, 1994 shall be considered noncomplying, but must be reconstructed with concrete when resurfacing becomes necessary.
